Date to be agreed.</p> <p>Recreation Ground – Football Pitches The Clerk had received an email from Lee Jones asking if his Sunday football team could use the pitches on the Recreation Ground for Sunday games. This would be discussed further under agenda item 6(c)</p> <p>Wing Carnival The Clerk had received a booking form and email asking if the Parish Council would like to book a stand at the carnival in July. <i>It was agreed to wait until the new Parish Council was in place before making a decision.</i></p>	<p>Clerk</p> <p>Clerk</p>

<p>463. Items for discussion:</p> <p>(a) Devolution of Services - Update (b) Neighbourhood Plan (c) Long Spinney - update</p>	<p>(a) Lengthy discussion took place over the proposed devolution of services to the Parish Council. The Council had finally received a response from their letter of 5th November outlining concerns over the process and lack of information on proposed areas to be taken over by the Council and finance available. Councillor Stuart had attended a Buckinghamshire County Council conference where it had been made quite clear that the County would be providing a minimal service to those parishes that do not take on these areas from them. Councillor Nixon reiterated his point that Parish Councils could not be forced to take on these services as the County Council has a statutory legal duty to offer this service. Councillor Stuart stated that they had said at the conference that they only have a legal duty to make these areas safe and they had no other legal obligations. This would mean that they would probably only be cut once a year. Councillor Nixon said that the Parish Council should ask the parish what they wanted and whether they wanted these hedges and verges cut. It was agreed that the Parish Council was already topping up the service provided by the County and District Councils by asking Ivor to undertake clearing and cutting back that was already not being done.</p> <p>It was agreed to:</p> <p>(a) attend the meeting on the 12th March to discuss the points raised in the Parish Council letter of 5th November 2014. Councillors L Stuart, S Roe, J Nixon and M Shrubsole would attend.</p> <p>(b) the Parish Council would continue to pursue the issue of principle that this was a statutory duty of the County Council to provide these services</p> <p>(c) the Parish Council needed to address the issue of transition and sources of funding as it was very likely they would have to take on these services and the funding being offered by the County Council was not sufficient to cover the costs.</p> <p>It was agreed that this would be included on the next agenda to report back and discuss further.</p> <p>(b) Councillor Stuart reminded the Council that the referendum was on the 5th March. It was being advertised as widely as possible. Discussion took place over the disappointment that Taylor Wimpey had reduced the amount of social housing on their development, but the allocation was still 30 and this had been approved by AVDC without including the Parish Council on any of the discussion. This issue will be taken up with AVDC.</p> <p>(c) This had been discussed under agenda item 6(c)</p>	<p>Clerk</p> <p>Clerk/LS/ SR/JN/ MS</p>
