FRIENDSHIP CONFIDENTIAL PRACTICAL SUPPORT

Hospice at Home Volunteers provide practical, social and emotional support to both you and your carers.

We offer a free service that provides strength and encouragement at a difficult time. We offer practical help where it is needed during a life limiting illness.

The support provided is flexible depending upon your needs, but could include...

- ♥ spending time with you enabling your carer to have two or three hours break
- ♥ accompanying you on trips to the shops or a favourite venue
- ♥ companionship
- ♥ providing information for further help

All our volunteers are fully trained and are CRB checked before visiting you.

We do not replace the care or the support provided by the statutory services, nor do we provide any nursing or domestic services.

HOW WE WORK

- ♥ Once you are referred to us, our Co-ordinator makes an initial visit to assess your individual needs or those of your carer.
- ♥ A volunteer will be introduced and during each visit he or she will provide the service mutually agreed.
