## 2016

<p><b>Funding from Developers</b></p> <p><i>July 2016</i></p> <p><i>Aug 2016</i></p> <p><i>Oct 2016</i></p> <p><i>Nov 2016</i></p>	<p>New Homes Bonus application resubmitted for £208,000</p> <p>Parish Council gives £25,000 to the Tennis club for court improvements.</p> <p>New Homes Bonus application approved for £208,000. Only capital spend allowed.</p> <p>Planning application for the Recreation Ground started</p>	<p>Prefabricated changing rooms, community space and storage along with football pitch levelling.</p>
------------------------------------------------------------------------------------------------------------------------------------	------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	-------------------------------------------------------------------------------------------------------

## 2017

<p><b>Recreation Ground Planning Application</b></p> <p><i>Nov 2017</i></p> <p><i>Dec 2017</i></p>	<p>Planning application 17/04376/APP submitted. 2 fully fitted PortaKabins.</p> <p>S106 Agreement Authorisation form agreed with Martin Grant Homes.</p>	<p>To maximise the available area for recreation, on the recreation ground the PortaKabins were placed on the footprint of the old pavilion and the MUGA alongside the tennis courts.</p> <p>Floodlights to tennis courts and upgrading of services.</p>
----------------------------------------------------------------------------------------------------	----------------------------------------------------------------------------------------------------------------------------------------------------------	----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

# 2018

<p><b>Revised Recreation Ground Planning Application</b></p>	<p><i>Jan 2018</i> Revised planning application plans submitted.</p> <p>The rules changed for the NHB agreement. Previously the funds were not able to refurbish existing facilities, hence the Portakabin application but due to the change the plans then reflected this by proposing refurbishment of the existing pavilion and extending it to provide the additional facilities required.</p> <p><i>Mar - June 2018</i> Tree and Bat surveys were carried out</p> <p><i>June 2018</i> Public consultation prior to final documents being submitted to the Planning Department.</p> <p><i>July 2018</i> New Homes Bonus application resubmitted for £464,522. This fully funds the revised planning application 17/04376/APP.</p> <p><i>July 2018</i> <b>Woodland Trust assigns Veteran Tree status to an oak tree.</b> This causes AVDC planning to ask for multiple extensions to the decision date.</p> <p><i>Sept 2018</i> Meeting with AVDC planning: alternative layout requested to avoid the oak tree.</p> <p><i>Oct 2018</i> Several alternatives proposed but nothing viable presented by the architect.</p> <p><i>Oct 2018</i> New Homes Bonus ( NHB ) award approved for £458,000. This is the last round of bids and no further money is available.</p> <p><i>Dec 2018</i> First meeting of the Recreation Ground Working Party</p>	<p>Unfortunately, changing the facade of the old pavilion was objected to by the AVDC Heritage and Conservation officer, even though it was 90metres from the Alms houses, necessitating a revised design.</p> <p>Submission based on estimated build cost per square meter.</p> <p>Clearly, some villagers think trees are more important than recreational facilities on a recreation ground.</p> <p>This was the maximum available during this last round of awards.</p>
--------------------------------------------------------------	----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

# 2019

<p><b>Jan 2019</b></p>	<p>Architect terminates his contract with Parish Council.</p>	<p>The project needed a viable plan with planning approval and work needed to start by November 2019 if the NHB funding was to be retained.</p>
<p><b>Feb 2019</b></p>	<p>PC appoints new architect and design team.</p>	<p>This meant a scheme needed to be presented to AVDC by end of March 2019. Several architects were approached but the only team able to meet the very tight timescale was Cottrell &amp; Vermeulen.</p>
<p><b>Mar 2019</b></p>	<p>Second meeting of the Recreation Ground Working Party.</p>	<p></p>
<p><b>Mar 2019</b></p>	<p>Planning application 17/04376/APP withdrawn</p>	<p></p>
<p><b>Mar 2019</b></p>	<p>Public consultation on architect's initial plans. Invitation flyer delivered to all households</p>	<p></p>
<p><b>Apr 2019</b></p>	<p>Statement of need produced for planning application.</p>	<p></p>
<p><b>Apr 2019</b></p>	<p>Planning application 19/01263/APP submitted to AVDC</p>	<p></p>
<p><b>May 2019</b></p>	<p>Potential contractors listed.</p>	<p>Although planning decisions are usually made within 8 weeks of submission, AVDC requested multiple extensions and planning was not granted till September 2019.</p>
<p><b>July 2019</b></p>	<p>Project tender specification sent to multiple potential contractors</p>	<p></p>
<p><b>Sep 2019</b></p>	<p>Planning permission granted for 19/01263/APP.</p>	<p></p>
<p><b>Oct 2019</b></p>	<p>Tenders received.</p>	<p></p>
<p><b>Nov 2019</b></p>	<p>Meeting with architects to review tenders.</p>	<p>The returned tenders had build costs significantly greater than expected.</p>
<p><b>Nov 2019</b></p>	<p>Meeting with architects and tenderers to seek potential reduction in costs.</p>	<p></p>
<p><b>Nov 2019</b></p>	<p>Planning application 19/04069/APP submitted to AVDC. (Revised floor plan)</p>	<p>Discussions were held on the means of reducing costs and a reduced floor plan was submitted to AVDC</p>
<p><b>Dec 2019</b></p>	<p>Meeting of the working party to discuss potential funding sources to cover the shortfall</p>	<p></p>
