

Street lighting update.

Replacement lights for reconnection.

1. WSL 19.3 o/s 13 Leighton Road
2. WSL 20.1 o/s 39 Leighton Road
3. WSL 19.2 o/s 19/21 Moorhills Road
4. WSL 19.4 Moorhills/Moorlands/ Moorlands Road junction.

As reported in the Clerk's reports to the Council (included as part of the minutes and available via the website <https://www.wingparish.org/your-council/meetings/minutes/>) we have been experiencing difficulties in moving these cases forward with UKPN, who have responsibility for the supply network. UKPN have been approached repeatedly to progress these cases.

We received a telephone call from a member of the Highway Assets Customer Service Coordinator, Network Ops team at the beginning of September resulting in the member of staff handling the matter being asked to give urgent attention to these matters. We are in contact with them and currently awaiting further response on numbers 2-4 . We have been advised that WSL 19.3 o/s 13 Leighton Road is programmed for reconnection on the 12th October.

Enquiries have recently established that the Council may be able to employ the services of an Independent Connection Provider (ICP) to make the reconnections. We have approached three accredited ICP's for quotations

5. o/s 44 Dormer Avenue. The ICP's approached for quotes to reconnect the above streetlights have been requested to provide quotes for the transfer of service."

Faulty/ failed lights

1. WSF 20.1 outside 16 Wantage Close.
2. WSF 21.2 Opposite 43 Moorlands Road.

These have been reported to the Warranty contractor. No dates have been given, but they are due to be attended to when the contractor is next in the area.

John Furniss

Deputy Clerk
Wing Parish Council
