Community Groups

If you would like to provide a report at the meeting either by a member of your group or read out by the Chairman of the meeting, please contact the Parish Council Clerk at wingparishclerk@gmail.com

The Annual Parish Meeting is open to all electors of Wing Parish.

You have the right not only to attend this meeting but can also to speak on any matter of local interest.

Electors, public and press are invited to hear reports from the Chairman, Unitary Councillors, community groups and any organisation that operates in the parish.

The Annual Parish Meeting is a relatively informal event and we do hope to see many from the community attending.
